The short answer is that the natural numbers  $\mathbb{N} = \{1, 2, 3 \dots$  and with what I'll blog about (my research, probably). I don't have any big plans for upcoming blog posts, so I may just take a break for a while. On the other hand, I do plan to post a paper or two on the arXiv in the near future, and I might decide to blog about it since I find sharing math irresistible. See? Flexible. Read ...
