[Bmw E39 Service Engine Soon](#)

Whenever your BMW "Service Engine Soon" light appears, know that it's time for routine service such as an oil change. Note that the car's computer system integrates the number of miles that have been driven with other variables that indicate when your car should be serviced. So it will be very important that this light be reset, and it will illuminate properly the next time you need an engine service. But if you have the service performed at a mechanic shop, the mechanic will reset ...
