Soil Investigation Services

Environmental investigations are used to confirm the presence or absence of contamination in the ground. They usually include a history of the site before planning the investigation programme. The mapping is done by taking samples of the soil, groundwater and sediments and by doing chemical analyses of soil, water and air.

Soil Investigations

Our presence in India began in 1995 and since then we have provided an extensive range of survey, geotechnical and geophysical solutions. India

The Office of Investigations and Casualty Analysis is directed by Captain Jason Neubauer. Mr. Timothy J. Farley serves as the Deputy Office Chief. Commander Martha Mannion serves as the Chief of the Investigations Division (CG-INV-1). Lieutenant Commander Baxter Smoak serves as the Chief of the Analysis Division (CG-INV-2).

Office of Investigations & Casualty Analysis

Marine investigations are unlike criminal investigations in the following ways: 1. In-court application of investigation results is civil, not criminal action. 2. Rules for evidence handling are less stringent. 3. With insurance cases the subject is a customer of our client and not an adversary. 4.
